## The Jack & Jill Children's Foundation

The Jack & Jill Children's Foundation was founded by husband and wife team Jonathan Irwin and Senator Mary Ann O'Brien (Founder and Chairman of Lily O'Brien Chocolates) based on their own experience caring for their son Jack at home until he passed away in December 1997. This experience became the blue print for the Jack & Jill model of home nursing care for children with developmental delay as a result of brain damage and provides end of life care to all children up to the age of four and has helped over 1,800 families since 1997.

This vital nationwide service includes funding, home visits, advice, information, lobbying and bereavement support. Jack & Jill requires €2.7 million per annum to continue to protect fragile children all over Ireland and, with less than 20% coming from the State, the Foundation raises the money it needs through public donations and big, big fundraisers like this one. All monies raised with Pigs on Parade will be used to fund home nursing hours for precious children who deserve the best possible care at home.
